

	<b>Georgia Technology Authority</b>	
<b>Title:</b>	<b>Cybersecurity Professional Certification Guideline</b>	
<b>PSG Number:</b>	GS-20-001	
<b>Issue Date:</b>	TBD	<b>Effective Date:</b> TBD
<b>Synopsis:</b>	Provides a set of certifications for cybersecurity positions.	

## PURPOSE

The purpose of this document is to provide a set of certification guidelines for current and/or prospective state employees working in cybersecurity positions.

## SCOPE and AUTHORITY

Information Technology Policies, Standards and Guidelines (PM-04-001)  
[or add: Enterprise Information Security Charter (PS-08-005)]

## GUIDELINE

The guideline provides two lists of certifications:

- offered at the Georgia Cyber Center (GCC)
- acceptable alternate certifications

The certifications are organized by three (3) categories defined by an employee's level of experience.

- Entry Level- Professional 1
- Intermediate Level- Professional 2/ Senior
- Advanced Level- Senior/ Leadership
